# TIE-DYED T-SHIRT

\*On a busy tie-dye t-shirt a simple design works best.  
A two-color, white and black print will work the best. Variation from one shirt to the next, may mean the design has to go over light and dark areas. A white and black print will work no matter what.

# Artwork Guidelines

## File Formats:

- Vector graphics are the preferred graphics for screen printing
  - .cdr - Corel Draw
  - .eps - Encapsulated Postscript
  - .ai - Adobe Illustrator
- \*Please convert all fonts to outlines or curves
- Non-Vector graphics should be at 300dpi, the higher the quality the better the print
  - .psd - Adobe Photoshop (preferred for digital printing)
  - .pdf, jpg & tiff are also acceptable
- \*Please have art at full scale and 300dpi
