### Holiday Dinner

This year's Holiday Dinner was held in December at the Holiday Inn Hotel and Convention Center (PABA member). We had a beautiful snow fall to put us all into the holiday spirit. Attendees enjoyed gourmet appetizers and a scrumptious dinner. The members were able to mingle and chat with old acquaintances and some new ones. Karen Schanock, Melissa Sabel, and Dan Mahoney updated the members on happenings within the Portage County Business Council, Stevens Point CVB, and the Village of Plover. The Barbershoppers entertained us with classic and classic "renditions" of our favorite Christmas tunes. Our members were very generous with their donations to Christmas Presents from the Heart completing filling up the Christmas tree. Thank you to the members listed below for donating wonderful raffle gifts. The money raised from the raffles is used towards PABA's quarterly contributions to member benefits, area charities, and community events.

## CHRISTMAS PRESENTS FROM THE HEART BENEFITING PEOPLE IN OUR COMMUNITY

The 22nd Annual Christmas Presents from the Heart campaign was a great success thanks to our members and wonderful community. Even during a poor economy, people dug deep and found something to give to those less fortunate than themselves. The Christmas tree at our Holiday Dinner was packed with gifts of toys, food, and warm winter clothing. We also received monetary donations and gift cards from several members and businesses. On a cold, snowy day, Sue Doxrude and Nicki Hintz, M&I Bank, co-chairpersons, along with DeeAnn Donahue, went to the various collection sites to pick up all the items and deliver them to the Noel Hangar. We actually made several additional trips because the giving just continued. That's what the Christmas season is all about.

The Christmas Presents from the Heart campaign got a head start this past summer. Duraclean sponsored a brat fry raising over \$1300 for the campaign. Please keep in mind that the giving doesn't need to be just at this time of the year, as Duraclean has demonstrated. Operation Bootstrap and community families are in need all year long. Please contact us if your company would like to sponsor a brat fry or another event to raise money for Christmas Presents from the Heart.

Thank you to Sue and Nicki for organizing this operation. Thank you to the following businesses for being collection sites. We couldn't have done it without you. Associated Bank (Plover), WOW Back to the Country Store, Central Wisconsin Credit Union (Plover and Stevens Point), Comfort Inn, Community First Bank, Copps Food Center (Plover), Hampton Inn, M&I Bank (both Plover locations), Members' Advantage Credit Union, Other Mothers, Plover Municipal Center, Portage County Bank (Stevens Point), Sky Club, and WoodTrust Bank.

Trivia: Did you know that the Stevens Point Brewery is the 5th oldest continuously operating brewery remaining in the United States? It didn't even close its doors during Prohibition. The brewery is still Wisconsin-owned and independently operated.
