**Member Benefits**

PABA is continually looking for additional benefits to offer its members.

**Marketing Idea**

PABA would like to give a "goodie bag" when visiting new businesses in the area. The welcome kit will include information about PABA's members. If you have brochures or other information you'd like to have included in this bag or can donate bags, please contact the PABA office.

There are two kiosks located outside the PABA office for members' information. These kiosks are visited by many people during the week. Please feel free to put your company's literature in the racks.

**Membership Drive**

PABA's Membership Drive is coming to a close. An invoice was sent out at the beginning of April.

Our dues are equivalent to the cost of one advertisement. By renewing your membership, you will be advertising all year, as well as reaping all of PABA's benefits, and its work for the business community. Please choose the level of membership appropriate for your business and remit payment by **June 11, 2010**. This will insure inclusion in the printed copy of the directory.

Thank you to all our members who have already renewed. Your support is appreciated.

If you do not have a copy of the invoice, please contact the PABA office at 345-5258. We hope everyone will consider renewing.

Contact DeeAnn if you know of a business that would benefit from a PABA membership.

**Going Green**

In late May, PABA started forwarding all correspondence electronically. This includes invitations, flyers, newsletters, reminders, and news alerts. Invoices will still be sent by mail.

Some have requested to continue receiving information via mail. The majority of the correspondence will be sent in this manner, but occasionally you may receive an e-mail regarding time sensitive information.
