April Mixer

Keller, Inc. hosted PABA's April Mixer at O'so Brewing Company. It was an exciting event with a record attendance. Keller representatives Vern Nystrom and Tracy Williams-Prince put together a great networking event. Guests were able to enjoy a vast array of beverages and tasty appetizers. Tours of the brewery were offered by Marc Buttera, the owner of O'so. Several great door prizes donated by Keller were also raffled off.

Did you know that Keller was founded in 1960? Keller is a leader in cutting edge design/build services capable of taking a project from its earliest conceptual phase: providing comprehensive feasibility, planning, and design services; then efficiently constructing the building with a quality and safety minded approach.

4th Annual Soaps It Up! Car Wash Fundraiser

On Saturday, June 9, Pat's CARSTAR will be hosting its annual car wash fundraiser. This event will help benefit the Make-a-Wish Foundation and the Red Panther Girls Hockey team. The event will be held from 9 am to 3 pm. Tickets are being sold now at Pat's CARSTAR, 3021 MacArthur Way, Plover and the day of the event! Tickets are \$10 with all proceeds going to the two organizations. Last year, CARSTAR U.S. and CARSTAR Canada set the Guinness World Record by washing more than 4300 vehicles in eight hours! Please join us for this worthy event.

Thank You, Stevens Point Brewery

Stevens Point Brewery welcomed the PABA Board for its April meeting. The brewery was started in 1857 and is the fifth oldest continuously operating brewery remaining in the US. The brewery even provided beer to the troops during the Civil War. It is Wisconsin owned and independently operated. Point beer is distributed in 27 states. Point offers eight year-round beers and four seasonal beers, five Whole Hog Limited beers, and five gourmet sodas. Try one of their many beverages today.
