

FIGHTING LIKE A DAWG FOR A CURE

Greetings YAF Families,

On Saturday, September 29th, 2018 your young athlete will be participating in the “Pink Game for Cancer,” a very special charitable event involving the UWSP Pointers and Youth Area Football. The game/event will be held at Community Stadium at Goerke Field in Stevens Point -- gates open at 1pm with kick off at 2pm.

The Pointers will be wearing one of a kind custom jerseys for this event. **5th and 6th grade** YAF athletes will play a scrimmage at half-time while wearing a complementary Pink or Gray Pink Game t-shirt, and will receive FREE admission to the game. The free shirt will be handed out by the coach closer to game day. All 3rd and 4th grade YAF players will receive FREE admission with their uniform on and will be invited to be on the sidelines at half-time. All YAF players will form a tunnel at the end of half-time for the UWSP players to run through. YAF families have the opportunity to take part in the fundraising for this event by pre-purchasing Pink Game t-shirts at YAF picture night. The Pink and Gray shirts are \$10.00 each. The shirts are encouraged to be worn in support of the fight against cancer during the game.

Pink Game t-shirts will be sold at YAF Picture night on September 5th from 4:30pm-8:00pm. Look for the bright yellow Team Schierl vehicle and the Pink Game Shirt flag. Cash or Credit Cards will be accepted. Youth Medium and Adult sizes will be available in Pink and Gray.

* Youth Medium and extended sizes are limited.

Proceeds from the sale of t-shirts and the event will go to 3 charities this year. First, the **Breast Cancer Family Foundation** (bcff.org), promoting cancer awareness and prevention through youth presentations in health classes at Central & Northern Wisconsin area schools. Secondly, the **American Cancer Society's Hope Lodge** in Marshfield, WI, provides a free home away from home for cancer patients and their caregivers and the **UWSP Colleges Against Cancer** group.

Sincerely,
